

JODI TRUDEAU- CANDIDATE FOR PJH BOARD OF DIRECTORS

For the past 2 years I have had the privilege of serving on the PJH Board of Directors as your Secretary. As a team we have worked together to continue to build a quality youth hockey program in the Portland/Vancouver area. I am running for re-election because I believe in the vision that our dedicated volunteers, both past and present, have for PJH, the area ice rinks and hockey as a whole.

My son started playing hockey with the Junior Hawks when he was a mite and has played both house and rep hockey. His goal is to try-out for the Bantam rep team for next season. It is critical to the success of the PJH and the development of its' players that the board of directors consists of members that represent all age groups and are supportive of both house and rep hockey.

The biggest challenge I see facing hockey in the Portland/Vancouver area is the expense. If elected to the Board, I would like to see us develop ways to make both travel and house hockey more affordable. In addition, I would like to encourage our members to participate more by attending meetings and bringing with them their ideas to improve our organization.

Along with serving on the Board for the last 2 years, I have been a rep team manager and have served on other Boards as secretary and committee leaders. I am an active volunteer in the College and Career Center at Sunset High School. Missing only two board meetings in two years I bring a strong work ethic and commitment to the PJH. I have enjoyed my role as secretary, however, I am excited at the prospect of continuing my service on the Board in a capacity that allows me to employ my education and professional experience in marketing, and as operations manager. Being a PJH Board member requires us to work as a team for the greater good of the organization in its' entirety. I believe I have and, if elected, will continue to work towards this goal.

Thank you for your consideration,
Jodi Trudeau
