

RE: Canadian Travel

USA Hockey has always required Travel Permits for teams traveling to Canada. We in the Northwest have escaped the requirement because of the large number of games played across the border and the large number of permits that would entail.

Things have changed. USA Hockey and the Pacific District will now "require" permits!

To ease in the handling of this permit requirement;

1. Make copies of the blank, signed form.
2. Complete form for each team traveling to Canada.
3. FAX or mail copy of the form to me before teams departure.

Please understand, that should the procedure not be properly followed, sanctions up to and including suspension are possible.

Should you have any questions, let me know.

Thanks,

Ed
