**Minutes from Feb. 15, 2006 were approved.**

**Treasure's Report: Gloria Leo**

Rep Reserves will be released after all team financial obligations are satisfied. House Playoff Costs have been paid.

Frozen Rose money has been deposited to the Portland Junior Hawk Account. Brett Eichenberger will reconcile fees collected, tournament costs, apparel sales, raffle sales and ref costs for the account.

**Rick Heinz Goalie School: Tom O'Connor**

Tom will be the Rick Heinz Goalie School Coordinator for this summer's Goalie camp at Sherwood Ice Arena.

**Jr. Hawk Goalie Development: Tom O'Connor**

Tom would like permission to create a Goalie Development Program for the PJH organization. The program will include regular goalie development training and clinics. Tom would like the organization to handle fundraising funds through a separate line item in the budget. He would like to add goalie training sessions for coaches and have skills and training info posted to the website. The board agreed and will require the PJH Treasurer to make payments for ice and other costs associated with the goalie development program.

**Frozen Rose: Jim Keen**

The tournament was a success with good championship games, positive feedback from participants and many teams returning for next year. Raffle baskets did well.

For next year, the organization should begin registration in September, add squirt and mite divisions, and run the event on two separate weekends.

**Coaches Evaluations: Bev Puncochar**

PJH had 304 evaluations returned this year, thanks to an extended return time and persistent reminders from Bev. The evaluations will be used to determine a coach's performance, to get a feel for the coach's skill, style, and ability based on parent feedback. Cathie Eichenberger will run an average score for each coach to be shared with them during interviews for next season.

**REP Team Las Vegas District Regional Results: Tim Moran**

U16 went to the finals, Bantam Tier II qualified for the semifinals; the Pee Wee A's play was very competitive. The Midget U18 didn't fair so well. Overall, our teams performed well and were very competitive showing exceptional growth in the skill and performance of our teams. Congratulations to all who competed!

**Rep Team Tryout Dates Set:**

Midgets: August 12&13

Squirt, Pee Wee, and Bantam: September 5-9.

\*More information to be posted on the PJH Website as it becomes available.

**House League Awards: Greg Cheetham**

The house league players should receive an award at the end of a season. They did not receive anything this year and Greg would like the players to get a certificate or metal at the end of next year's house season.

**FFF (Food for Funds): Cheryl Singelton**

Jodie Spooner is in training to take over as Coordinator for the FFF program. The FFF program is in need of a Financial Manger for next year as well.
