\$\$\$\$ Earn Money for Hockey Expenses \$\$\$\$  
A Portland Jr. Hawks Fundraiser

Looking for a ways to earn money for hockey related expenses, tax free?

If you would like to earn money while having fun with your fellow parents, becoming involved with FFF is the way to go. The funds you earn are tax free, and can be used for most hockey related expenses. It is a true year round fund raiser for anyone that wishes to earn some money to help pay for the large expenses we all incur during the year.

Some of the expenses that qualify are:

- Camps- As long as they are not a tryout for another organization
- Monthly Teams dues
- Registration Fees for Portland Jr. Hawks
- Equipment
- Lessons

Joining FFF is very easy; you must be 16 years old and be a member of the Portland Jr. Hawks.

You will need to take the following training:

- NFP Class, regardless of age
- OLCC class- Anyone over the age of 18 who wishes to work events that sell alcohol must take this class.
