Mini Hawk Program 2007-2008 Season

Mini Hawks Program:

We are excited to offer our 2nd season of the Mini Hawks program! The program is built around Skills training, Small Games and FUN! Our job is to ensure every child is challenged, maximize each player's potential and prepare them for many years of competitive hockey. We will have a parent meeting at 1pm after the Sept 30 skate at Sherwood Ice Arena. This Open Forum is best way to explain coaches' expectations of parents/players and to answer all your questions. I have listed a few below that have been emailed in to me...

When do the Mini Hawks Skate?

Two times per week. Ice schedule will be provided and posted to website. First skate is Saturday Sept 29, Valley Ice Arena at 7:45-8:45am. Sunday Sept 30, Sherwood Ice Arena 11:45am-12:45pm. Parent meeting immediately following.

What does my child have to wear?

FULL equipment from head to toe.....helmets, mouthpiece, shoulder pads, pants, shins, and elbows. Neck guards are HIGHLY recommended. Contact Northwest Skate Authority, located in Sherwood Ice Arena for your equipment needs.

What is the Mini Hawk Program?

We follow the USA Under 8yr old Cross Ice/Small Games Philosophy. For full story and more info on program, please see

I heard Mini Hawks skate at the Winterhawk Games?

Yes, this is true. During the season the Mini Hawk Managers will coordinate opportunities to skate at the Winterhawk games. No promises but we hope to give every child this experience.
